## 1. Vision and Values

---

Our equality vision and the values that underpin school life

---

The Sunflower Federation was formed in 2017: Breakspeare is a school for pupils aged 3-19 who have severe learning difficulties and Meadow Wood is a primary school for students with physical and neurological impairments.

Our whole purpose and focus is to make life better for the young people with disabilities that attend the federation schools. We know from experience that if we provide our pupils with rich and varied opportunities they can achieve up to and beyond expectations. Therefore, our mission is to provide pupils with as many diverse opportunities as possible in order to meet the schools' aims of broadening and developing our pupils' achievements, whilst offering the pupils the chance to have dignity in their lives.

In order to achieve the above, the following is a list of federation aims that are directly related to establishing equality both in the pupils understanding of others and their treatment by society;

- to empower pupils to become their own advocates and to involve and promote this skill with parents;
- to equip pupils with the skills to maintain good quality and sustainable relationships.
- to keep pupils informed about their rights and responsibilities so that they can become good citizens;
- to help pupils maintain the high quality of life which they have enjoyed while at school; after they leave
- to empower pupils to make informed decisions;
- to enable pupils to be as independent as possible;
- to inform pupils how to find and use leisure facilities;
- to provide the pupils with skills and knowledge to keep themselves healthy and safe;
- to promote social inclusion of our pupils;
- to be a centre of excellence in the education of pupils with severe learning difficulties;
- to challenge negative attitudes and stereotypes about our pupils' disabilities;
- to promote equality of opportunity in the wider community;
- to establish partnerships with the wider community;
- to celebrate the diverse and multicultural school community;
- to promote British values.

The Sunflower Federation is committed to meeting its public sector statutory duties under the Equality Act in complying with the relevant legislation (including The Sex Discrimination Act, Race Relations Act, Disability Discrimination Act and Employment Equality Regulations) as detailed below.

We are committed to providing an inclusive establishment for all members of its community by

1. Eliminating discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010.
2. Advance equality of opportunity between people who share a protected characteristic, and people who do not share it.
3. Fostering good relations across all protected characteristics – between people who share a protected characteristic and people who do not share it.

The need to *advance equality of opportunity* is defined further in the Equality Act 2010 as having due regard to the need to:

1. Remove or minimise disadvantages
2. Take steps to meet different needs
3. Encourage participation when it is disproportionately low

The Sunflower Federation aims to

- reinforce the school's position as a provider of quality education and as a good employer providing development opportunities
- ensure that equality remains high on the school's strategic agenda
- establish good people management practice and to set out a proactive agenda in which discrimination is recognised as an organisational issue which needs an organisational response
- achieve a staffing composition that reflects the composition of the wider community
- ensure all staff work together with a shared sense of purpose to meet the needs of every pupil
- ensure that pupils and staff contribute towards a happy and caring environment by showing respect for, and appreciation of, one another as individuals;
- ensure that complaints or evidence of failure to comply with the school's equal opportunities policy will be dealt with promptly and fully investigated according to the relevant procedure (e.g. complaints relating to staff may be investigated either under the disciplinary, grievance or anti-harassment procedure as appropriate). All forms of discrimination by any person within the school's responsibility will be treated seriously for such behaviour is unacceptable.

### **Engagement – Participation and Involvement**

In developing this policy we have welcomed the participation and involvement of people from broad and diverse backgrounds and of different abilities.

When deciding how to tackle equality issues, we will consult and engage with people affected by our decisions - parents, pupils, staff, members of the local community – and with people who have specialist knowledge which can inform the school's approach, such as disability equality groups and other relevant special interest organisations.

EQIAs help us to ensure that there is no unlawful discrimination against certain individuals or groups and that the positive duties are promoted. It is a way to ensure we meet the diverse needs of our pupils/students and staff and that diversity, equality and inclusion run through all areas of school life.
