BREAKSPEARE SCHOOL

LITERACY-NUMERACY CATCH UP PREMIUM 2019-20

Background
The Literacy and Numeracy Catch Up Premium provides schools with an additional £500 for each year 7 pupil who didn't achieve at least national Curriculum level 4 in reading and/or maths at the end of key stage 2. It is provided to all state-funded schools with a year 7 cohort, including special schools, alternative provision settings and pupil referral units.

Rationale
Our rationale for the use of Literacy-Numeracy Catch up Premium, which the Governors have agreed, are that it must be used so that it:
- Enables the school to deliver additional support; individual tuition or intensive support in a small group
- Enables the year 7 students to reach their full potential from their starting points

Allocation

For the academic year 2019-20 we received £3500 for seven students
For the academic year 2020-21 we will receive £7500 for fifteen students

Usage
Additional staffing and specific phonics and literacy training provided to support identified students to work towards their individual literacy and numeracy targets.
