PART A. School Priorities

Priority area	School focus	Intention
Leadership and Management	Federation Curriculum	Breakspeare School's Governors and senior leaders demonstrate an ambitious vision for the school and high expectations for every pupil and member of staff. Design an innovative and creative curriculum that is appropriately matched to the needs and interests of all students; where teaching consistently addresses the learning needs of our students, is inclusive, functional and enhances the personal skills and wellbeing
Teaching, Learning & Assessment	Assessment	Breakspeare School students reach their full potential. Benefit from a carefully designed assessment framework that accurately identifies and informs about students' next steps in teaching and learning, so that all pupils can achieve the best possible educational outcomes.
Outcomes for Learners	Independence	Breakspeare School nurtures a learning culture that enables students to excel and develop individual skills; all pupils use individualised strategies in order to communicate their needs, views and preferences, to make choices and have greater control over their lives.
Personal Development, Behaviour and Well being	Safeguarding Personal Development	Breakspeare School implements the highest possible safeguarding practice to ensure the wellbeing of each pupil, our students feel safe and secure. Our curriculum promotes students to develop positive attitudes towards themselves; feel safe, happy and secure and able to make a positive contribution to their community.
Learning Environment	Functionality	Breakspeare School continuously makes improvement in its infrastructure and resources to maximise learning opportunities for all. Students are well supported in their learning having access to resources and equipment in an environment that is designed to meet their needs.
