## Progression in the Upper School

Continuous cycle of monitoring reviewing and updating of individual student targets and EHCP & curriculum targets. Identifying next steps in the student's learning.

Progression is shown through...

Termly updating student Progress through SOLAR

focussing on the four identified areas of learning: My communication, My Thinking, Myself, My Physical development

## **AQA** units

Teachers select the level of the unit the student will study according to the student's ability; Pre-entry or entry level.

Units are then selected specifically to meet student targets.

All students will complete one AQA on leaving Breakspeare.
